

Dear Parents and Carers,

We will once again be running our very successful Aspirations Week this year 9th-13th July and we need your help.

Aspirations Week is a fantastic week where we invite people from the world of work to share with our children how they became successful in their chosen field. The week aims to empower our children with an 'I can' attitude to their future and help them to realise that they have the potential to be whatever they want to be when they grow up.

In order to support our children, we are asking for volunteers to come in and speak with our children. This can be a simple question and answer session, a presentation/demonstration, or a short activity that could provide some insight into that particular field. In the past, we have had, train drivers, hairdressers, manufacturers, builders, small business entrepreneurs and dog trainers, to name but a few.

If you, or someone you know are able to volunteer to come in and meet with our children to help them gain a positive and exciting view of the world of work, please can you contact FPSO@shawprimary.thurrock.sch.uk to schedule a time for a visit. We welcome any jobs from any fields and so, if you are willing, we would love to hear from you.

Many thanks

Amy Newland
Assistant Headteacher
