

## JMF 2025 Song Lyrics

### **GOD SAVE THE KING - THE NATIONAL ANTHEM**

God save our gracious King,  
Long live our noble King,  
God save the King.

Send him victorious,  
Happy and glorious,  
Long to reign over us,  
God save the King.

### **THE GREATES SHOWMAN MEDLEY**

#### **The Greatest Show**

Spoken - Ladies and Gents, this is the moment you've waited for!

Woah x 8 (drums and clapping)

Its fire its freedom its flooding open  
It's a preacher in the pulpit and you'll find devotion  
There's something breaking at the brick of every wall  
It's holding all that you know  
So tell me do you wanna go?  
Where it's covered in all the coloured lights  
Where the runaways are running the night  
Impossible comes true, it's taking over you  
This is the greatest show  
We light it up, we won't come down  
And the sun can't stop us now  
Watching it come true, it's taking over you  
This is the greatest show

(Acapella)

Where it's covered in all the coloured lights  
Where the runaways are running the night  
Impossible comes true, it's taking over you  
This is the greatest show  
We light it up, we won't come down  
And the sun can't stop us now  
Watching it come true, it's taking over you  
This is the greatest show!

#### **A Million Dreams**

I close my eyes and I can see  
The world that's waiting there for me  
That I call my own  
Through the dark, through the door  
Through where no one's been before  
But it feels like home

They can say, they can say it all sounds crazy  
They can say, they can say I've lost my mind  
I don't care, I don't care, so call me crazy  
We can live in a world that we design

'Cause every night I lie in bed  
The brightest colours fill my head  
A million dreams are keeping me awake  
I think of what the world could be  
A vision of the one I see  
A million dreams is all it's gonna take  
A million dreams for the world we're gonna make

### Come Alive

Come alive, come alive  
Go and ride your light  
Let it burn so bright  
Reaching up  
To the sky  
And it's open wide  
You're electrified

When the world becomes a fantasy  
And you're more than you could ever be  
'Cause you're dreaming with your eyes wide open  
And we know we can't go back again  
To the world that we were living in  
'Cause we're dreaming with our eyes wide open  
So, come alive!

### This Is Me

I am not a stranger to the dark  
Hide away, they say  
'Cause we don't want your broken parts

I've learned to be ashamed of all my scars  
Run away, they say  
No one'll love you as you are

But I won't let them break me down to dust  
I know that there's a place for us  
For we are glorious

When the sharpest words wanna cut me down  
I'm gonna send a flood, gonna drown them out  
I am brave, I am bruised  
I am who I'm meant to be, this is me

Look out 'cause here I come  
And I'm marching on to the beat I drum  
I'm not scared to be seen  
I make no apologies, this is me

(Part 2) Oh-oh-oh-oh  
(Part 1) Oh-oh-oh-oh  
(Part 2) Oh-oh-oh-oh  
(Part 1) Oh-oh-oh-oh  
(Part 2) Oh-oh-oh, (Part 1) oh-oh-oh, (Part 2) oh-oh-oh, (Both Parts 1 & 2) oh, oh - This is me!

## **FAME**

Baby, look at me, and tell me what you see.  
You ain't seen the best of me yet.  
Give me time I'll make you forget the rest.  
I got more in me, and you can set it free.  
I can catch the moon in my hand. Don't you know who I am?  
Remember my name [FAME]

I'm gonna live forever. I'm gonna learn how to fly. [HIGH]  
I feel it comin' together. People will see me and cry. [FAME]  
I'm gonna make it to heaven. Light up the sky like a flame. [FAME]  
I'm gonna live forever. Baby, Remember my name.

[REMEMBER, REMEMBER, REMEMBER, REMEMBER, REMEMBER, ]

I'm ready for the fight, 'cause I can make it right.  
You can shoot me straight to the top.  
Give me love and take all I got to give.  
Baby, I'll be tough. Too much is not enough.  
I can hear the beat your heart makes. Ooh, I got what it takes.  
Remember my name[FAME]

I'm gonna live forever. I'm gonna learn how to fly. [HIGH]  
I feel it comin' together. People will see me and cry. [FAME]  
I'm gonna make it to heaven. Light up the sky like a flame. [FAME]  
I'm gonna live forever. Baby, Remember my name.

[REMEMBER, REMEMBER, REMEMBER, REMEMBER, REMEMBER, REMEMBER]

FAME!...

## **DEFYING GRAVITY**

I hope you're happy  
I hope you're happy now  
I hope you're happy how you've hurt your cause forever  
I hope you think you're clever

I hope you're happy  
I hope you're happy too  
I hope you're proud how you would grovel in submission  
To feed your own ambition  
So though I can't imagine how  
I hope you're happy right now

Elphie, listen to me, just say you're sorry  
You can still be with the wizard  
What you've worked and waited for  
You can have all you ever wanted (I know)

But I don't want it  
No, I can't want it anymore

Something has changed within me  
Something is not the same  
I'm through with playing by the rules of someone else's game  
Too late for second-guessing  
Too late to go back to sleep  
It's time to trust my instincts, close my eyes and leap

It's time to try defying gravity  
I think I'll try defying gravity  
And you can't pull me down  
Can't I make you understand  
You're having delusions of grandeur?

I'm through accepting limits  
'Cause someone says they're so  
Some things I cannot change, but 'til I try, I'll never know  
Too long I've been afraid of  
Losing love, I guess I've lost  
Well, if that's love, it comes at much too high a cost

I'd sooner buy defying gravity  
Kiss me goodbye, I'm defying gravity  
And you can't pull me down  
Glinda, come with me  
Think of what we could do, together

Unlimited  
Together, we're unlimited  
Together, we'll be the greatest team there's ever been  
Glinda, dreams the way we planned 'em  
If we work in tandem  
There's no fight we cannot win

Just you and I, defying gravity  
With you and I defying gravity  
They'll never bring us down

Well, are you coming?

I hope you're happy  
Now that you're choosing this (you too)  
I hope it brings you bliss  
I really hope you get it  
And you don't live to regret it  
I hope you're happy in the end  
I hope you're happy, my friend

So if you care to find me  
Look to the western sky  
As someone told me lately, "Everyone deserves the chance to fly"  
And if I'm flying solo  
At least I'm flying free  
To those who ground me, take a message back from me

Tell them how I am defying gravity  
I'm flying high, defying gravity  
And soon, I'll match them in renown

And nobody in all of Oz  
No wizard that there is or was  
Is ever gonna bring me down

I hope you're happy (look at her, she's wicked, get her)  
Bring me down! (No one mourns the wicked, so we've got to bring her)  
Oh! (Down)

### **HANSEL AND GRETEL – HOP, HOP, HOP**

So Hop, hop, hop Gallop, lop, lop  
You lazy broom, be off you sloth.

When up I spring, the bat takes wing,  
The hell cat sings, the death knell rings!

At dead of night, well out of sight,  
The witches give the kids a fright.

The oven's hot, I'll make a brew,  
her bones I'll boil the boy I'll stew.

It's such a treat to taste the sweet  
And tender flesh of children's meat!

It's such a sweet delicious treat.

So off I fly into the night  
The air is calm, the moon is bright  
Watch me fly \_\_\_\_\_  
Watch me fly \_\_\_\_\_  
Fly \_\_\_\_\_ magic broom

### **HANSEL AND GRETEL – LITTLE BROTHER DANCE WITH ME**

*(Gretel Group)*

Little brother dance with me, take my hand, advance with me

One foot in, one foot out, bow your head and turnabout.

*(Hansel Group)*

Sister, I'm a sorry sight; which is left and which is right?

Show me once more how it goes, then I might avoid your toes

*(Gretel Group)*

With your foot go tap, tap, tap, With your hands go clap, clap,clap

One foot in, one foot out, bow your head and turnabout.

*(Hansel Group)*

With your foot go tap, tap, tap, with your hands go clap, clap, clap

One foot in, one foot out, bow and turnabout.

*(Gretel Group)*

Bother you have learnt it well, dancing breaks the witches spell

*(Hansel Group)*

Watch me moving side to side, now my heart is open wide

*(Gretel Group)*

Make your head go quick, quick, quick

Make your fingers click, click, click

One foot in, one foot out,

Throw some shapes and turnabout.

*(Hansel Group)*

Make your head go quick, quick, quick

Make your fingers click, click, click

One foot in, one foot out,

Shake it all about

*(Hansel and Gretel Groups)*

Tra la la la la la la la la la

Tra la la la la la la la la

Both parts

Tra la la la la la la la la la

Tra la la la la la la la la

Turn around again and do it faster, **shake it to the left and to the right**

Both parts

Tra la la la la la la la la la

Tra la la la la la la la la

Turn around again and do it faster, **dance into the early morning light**

Now we're dancing side by side, hear our voices feel our pride

One foot in, one foot out, now it's time to take a bow.

### **HANSEL AND GRETEL – THE WITCH IS DEAD**

*(Hansel and Gretel Groups)*

The witch is dead, the witch who fed,

On noses and toes she had baked into bread

But safe from harm, join arm in arm

And dance away her evil charm.

(Hansel Group)  
Let's dance and sing in a magical ring

(Gretel Group)  
Let's dance and sing in a magical ring

(Hansel and Gretel Groups)  
'Til every living thing shall spring for joy  
To greet each living girl and boy,  
Each girl and boy.  
To greet with joy each living girl and boy

## **SOMEWHERE OVER THE RAINBOW**

Somewhere over the rainbow  
Way up high  
There's a land that I heard of  
Once in a lullaby

Somewhere over the rainbow  
Skies are blue  
And the dreams that you dare to dream  
Really do come true

Someday I'll wish upon a star  
And wake up where the clouds are far behind me  
Where troubles melt like lemon drops  
Away above the chimney tops  
That's where you'll find me

Somewhere over the rainbow  
Bluebirds fly  
Birds fly over the rainbow  
Why then, oh, why can't I?

Somewhere over the rainbow  
Bluebirds fly  
Birds fly over the rainbow  
Why then, oh, why can't I?

If happy little bluebirds fly  
Beyond the rainbow  
Why, oh why can't I?

## **WE'RE ALL IN THIS TOGETHER**

Alright, alright, here we go

Together, together, together everyone  
Together, together, come on, let's have some fun  
Together, we're there for each other every time  
Together, together, come on, let's do this right

Here and now, it's time for celebration  
I finally figured out, yeah, yeah  
That all our dreams (uh) have no limitations  
That's what it's all about (come on now)

Everyone is special in their own way  
We make each other strong (we make each other strong)  
We're not the same  
We're different in a good way  
Together's where we belong

We're all in this together  
Once we know  
That we are  
We're all stars  
And we see that

We're all in this together  
And it shows  
When we stand  
Hand in hand  
Make our dreams come true

Together, together, together everyone  
Together, together, come on, let's have some fun  
Together, we're there for each other every time  
Together, together come on, let's do this right

We're all here  
And speaking out with one voice  
We're going to rock the house, yeah, yeah  
The party's on, now everybody make some noise  
Come on, scream and shout

We've arrived  
Because we stuck together  
Champions one and all

We're all in this together  
Once we know  
That we are  
We're all stars  
And we see that

We're all in this together  
And it shows  
When we stand  
Hand in hand  
Make our dreams come

We're all in this together  
When we reach  
We can fly

Know inside  
We can make it

We're all in this together  
Once we see  
There's a chance  
That we have  
And we take it

Wildcats sing along  
Yeah, you really got it going on  
Wildcats in the house  
Everybody say it now

Wildcats everywhere  
Wave your hands up in the air  
That's the way we do it  
Let's get to it  
Time to show the world

Hey, oh, hey, oh alright here we go

We're all in this together  
Once we know  
That we are  
We're all stars  
And we see that  
We're all in this together  
And it shows  
When we stand  
Hand in hand  
Make our dreams come true

We're all in this together  
When we reach  
We can fly  
Know inside  
We can make it

We're all in this together  
Once we see  
There's a chance  
That we have  
And we take it

Wildcats everywhere  
Wave your hands up in the air  
That's the way we do it  
Let's get to it  
Come on everyone

### **I WILL FOLLOW HIM**

For this song a guest choir shall join us.

### Guest choir

I will follow him, follow him wherever he may go  
And near him I always will be  
For nothing can keep me away  
He is my destiny  
I will follow him, ever since he touched my heart I knew  
There isn't an ocean too deep  
A mountain so high it can keep, keep me away  
Away from his love

I love him, I love him, I love him  
And where he goes I'll follow I'll follow I'll follow

### **YOU CAN'T STOP THE BEAT**

You can't stop an avalanche  
As it races down the hill  
You can try to stop the seasons, girl  
But you know you never will

And you can try to stop my dancin' feet  
But I just cannot stand still  
'Cause the world keeps spinning  
'Round and 'round  
And my heart's keeping time  
To the speed of sound

I was lost 'til I heard the drums  
Then I found my way  
'Cause you can't stop the beat

Ever since this whole world began  
A woman found out if she shook it  
She could shake up a man  
And so I'm gonna shake and shimmy it  
The best that I can today

'Cause you cant stop the motion of the ocean  
Or the sun in the sky  
You can wonder if you wanna, but I never ask why  
And if you try to hold me down I'm gonna look in your eye and say  
That you can't stop the beat!

Verse 2:

You can't stop the river as it rushes to the sea  
You can try to stop the hands of time, but you know it just can't be!  
And if they try to stop us, Seaweed, I've got the N double A.C.P.

'Cause the world keeps spinnin' round and round  
And my heart's keepin' time to the speed of sound  
I was lost 'til I heard the drums, then I found my way  
'Cause you can't stop the beat!

Ever since we first saw the light  
A man and woman like to shake it on a Saturday night  
So I'm gonna shake and shimmy it with all of my might today  
'Cause you cant stop the motion of the ocean or the rain from above  
You can try to stop the paradise we're dreamin' of  
But you cannot stop the rhythm of two hearts in love to stay  
'Cause you cant stop the beat!

Verse 3:

You can't stop my happiness, 'cause I like the way I am  
And you just can't stop my knife and fork when I see a Christmas Ham!  
So, if you don't like the way I look, well, I that just the way I am!

'Cause the world keeps spinnin' round and round  
And my hearts keepin' time to the speed of sound  
I was lost 'til I heard the drums, then I found my way  
'Cause you can't stop the beat

Ever since this whole world began  
A woman found out if she shook it she could shake up a man  
And so I'm gonna shake and shimmy it the best that I can today!  
'Cause you can't stop the motion of the ocean or the sun in the sky  
You can wonder, if you wanna, but I never ask why  
And if you try to hold me down, I'm gonna spit in your eye and say  
That you can't stop the beat!

Oh, Oh, Oh  
You can't stop today (No!)  
As it comes speeding 'round the track (oooh, child yes!)

Yesterday is history (be gone!)  
And it's never comin' back! (look ahead, 'cause)  
'Cause tomorrow is a brand new day, and it sees both white and black (yeah!)

'Cause the world keeps spinnin' round and round  
And my heart's keepin' time to the speed of sound  
I was lost 'til I heard the drums, then I found my way  
'Cause you can't stop the beat!  
Ever since we first saw the light  
A man and woman like to shake it on a Saturday night  
So I'm gonna shake and shimmy it with all of my might today!  
'Cause you can't stop the motion of the ocean, or the rain from above  
They can try to stop the paradise we're dreamin' of  
But you cannot stop the rhythm of two hearts in love to stay  
'Cause you can't stop the beat!

Aah, aah, aah  
Ahh, ahh, ahh  
Ahh, ahh, ahh ahh

Ever since we first saw the sign  
A man or woman like to shake it on a Saturday night  
And so we're gonna shake and shimmy it with all of our might today!  
'Cause you can't stop the motion of the ocean or the rain from above  
You can try to stop the paradise we're dreamin' of  
But you cannot stop the rhythm of two hearts in love to stay!  
'Cause you can't stop the beat!  
You can't stop the beat  
You can't stop the beat
