

Tuesday 25th March 2025

Dear Parents and Carers,

As you may remember, I wrote to you in February regarding our school's participation in the Government's 'Early Adopters' Breakfast Club offer asking that parents and carers register their interest so that we can begin preparations with a possible number of attenders in mind.

Just to remind you, we will be adopting a 'Mixed Provision' model, which means that a paid breakfast club starting before the free club will still be available for parents who wish to continue to use that service.

During these early days, and to ensure we are properly prepared, we will be adapting the booking system on School Money to ensure that we are appropriately staffed and that we have enough food supplies for each day. Please see below for booking information including menu options, start times and prices where relevant:

7:30am to 8:40am (By evidence-based written request ONLY – Places to be agreed by Headteacher)

Cost: £3.00 per pupil

Food options: Toast, cereal and yoghurt.

Booking: by midnight on the evening before attendance.

7:45am to 8:40am

Cost: £2.50 per pupil

Food options: Toast, cereal and yoghurt.

Booking: by midnight on the evening before attendance.

8:10am to 8:40am

Cost: FREE

Food options: Cereal and yoghurt.

Booking: by midnight **1 school week** before attendance.

All menus include a drink of milk or water and children may choose two food items for their breakfast.

We are currently looking into adding fruit to all menus and will update you once we have found an appropriate provider.

Our new Breakfast Club offer will begin on Wednesday 23rd April 2025, so bookings for the FREE session should be completed by Midnight on Wednesday 2nd April 2025.

Thank you in advance for your patience while we establish and embed this new offer.

Regards
Ms Kimpton
Headteacher
