8.45am

We have had lots of children arriving late for school.

This causes disruption to the class when children arrive late, also needing adults to come away from working with children to collect!!!

Please can we ask parents and carers to help us by ensuring all belongings are labelled clearly with their child's name. When children leave their belongings around the school they can then be returned.

We have lots of unnamed uniform which if not claimed is disposed of.

We currently have some lovely pieces of uniform so before you spend lots of pennies on new uniform we could help you save money.

Dear Parents/Carers,

I am writing to inform you that we have some staff changes for the coming year.

Mrs Judd, who has worked with us for the last nine years and who has extensive experience across the primary sector, will be expanding her career opportunities teaching young people in special education provision. Mrs Judd has contributed a great deal to our school and we wish her the very best in this next stage of her career.

We are also saying goodbye to Mrs Dobson, who joined our school shortly after me almost 16 years ago. Mrs Dobson has been a continuing source of support and expertise to staff and families and will be missed by all of us. Mrs Dobson has spent much of her career working with children and families in the greatest need and, although we are sorry to be saying goodbye to her, we are pleased that she is now going to dedicate some of her time to her other passions in life and take some time for herself; we will endeavour to continue her work using the knowledge and commitment she has shared with us all.

From September, we will have two new teachers joining us, Mrs McKenzie and Miss Cobbold. Both are experienced teachers and we are delighted to be welcoming them to Shaw Primary Academy.

Have a wonderful summer with your children and we will see you again in September.

Regards
Ms Kimpton
Headteacher

tricky deciding whether or not to keep your child off school, nursery or playgroup when they're unwell.

There are government guidelines for schools and nurseries about [managing specific infectious diseases at GOV.UK](#). These say when children should be kept off school and when they shouldn't. If you do keep your child at home, it's important to phone the school or nursery on the first day. Let them know that your child won't be in and give them the reason. If your child is well enough to go to school but has an infection that could be passed on, such as a cold sore or head lice, let their teacher know.
