5th June 2024

Dear Parents/Carers of Nursery children

We are pleased to inform you of an exciting event planned for all classes.

On Tuesday 11th June, The Astronomy Roadshow, a mobile planetarium presenting educational shows, will be visiting Shaw for the day. Pupils will be watching a theatre performance within a dome, lasting 30 minutes. The content of each presentation will vary and will be tailored for each year group, for example some year groups will be learning about the Solar System and Greek constellations, other year groups will be experiencing nocturnal sounds, creatures and colours, alongside other exciting topics.

As pupils will be staying in school for this event, we are asking for a contribution of just £2.00 per pupil. Please send your £2 cash contribution to your class teacher, together with the slip below by Monday 10th June. If you have difficulty with the cost of this, please talk to your child's teacher.

Regards

Miss Arnott
Deputy Headteacher
Shaw Primary Academy

Please complete the slip below and return to your child's teacher by **Monday 10th June**.
