

8th September 2025

Dear EYFS Parents and Carers,

On Monday 22nd September, you are invited to attend, with your child and their class, a road safety workshop run by Safer Essex Roads Partnership.

This is an informative 40-minute indoor presentation beginning at 2:20pm for both parents/carers and their children. The first 20 minutes will just be for the adults and the children will join for the remainder of the session.

We hope that you can attend with your child as it is important that parents/carers are here to see the presentation, so that the key messages can be continually reinforced by yourself afterwards. To ensure that we share important information, we need a minimum of 10 parents/carers to attend each session. If you cannot attend, you can nominate a close family member to come in your place. We will only be able to accommodate 1 adult per child on this occasion and any younger children or babies if needed (please let us know).

Please complete the form below and return it to your child's teacher by Wednesday 17th September.

Many thanks
