Dear Parents/Carers

I am writing to inform you about our morning routine expectations from the beginning of the summer term. The aim is to encourage the children to become as independent as soon as possible. We would like children to say goodbye to their adult at the door as soon as they are used to the routine. They can then walk into the nursery by themselves.

We know that all children who currently attend nursery are ready for this next step. Therefore, we ask that parents/carers say goodbye to their child outside the nursery in the morning and then allow them to walk in independently. The nursery staff will be there to support them with their coats, water bottles and choices should they need it. You can help your child by talking to them about this during the Easter break and positively encourage them to start their day on this way.

This routine will remain in place for all children who will still be in nursery in September. New children joining the nursery, will move towards independence as soon as they are ready as well.

Thank you for your continued support.

Sincerely

Mrs Vorster
Assistant Headteacher
