

4<sup>th</sup> February 2025

Dear Parent/Carers,

As part of our commitment to make maths exciting and high profile in our school, we would like to make you aware of a friendly competition involving schools across the UK. The competition runs from 7:30am to 7:30pm on Friday 7<sup>th</sup> February 2025.

Children can take part online via <https://play.ttrockstars.com> before and after school if they wish. Children can play in any game mode with every correct answer to a multiplication or division question, earning themselves, their class and the school a point. The Times Tables Rock Stars platform will calculate the class average. There is a daily time limit of 60-minutes per player.

The poster features a green background with a black truss structure. At the top, the text 'NSPCC ROCKS' is displayed in large, stylized letters. 'NSPCC' is in green, and 'ROCKS' is in light blue with a black outline. A yellow lightning bolt is on the left, and a yellow lightning bolt is on the right. Below the main title, the text 'FRIDAY 7 FEBRUARY 2025' and '7:30AM TO 7:30PM' is written in white on a dark blue background. At the bottom, there are two green boxes: the left one says 'PLAY IN ANY GAME TYPE!' with a division symbol, and the right one says '1HR TIME LIMIT PER PERSON!' with a lightning bolt. Below these boxes, the text 'WINNING CLASS WILL HAVE THE HIGHEST NUMBER OF CORRECT ANSWERS PER STUDENT!' is written in white. At the very bottom, there are two black speakers flanking the 'TIMES TABLES ROCK STARS' logo. Small text at the bottom left reads '© NSPCC 2024 Registered charity in England and Wales (216401), Scotland (00337717) and Jersey (1846)'.

Thank you for your continued support

Regards  
Miss Arnott  
Deputy Headteacher
