Dear Parents/Carers,

You may have noticed some contractor containers in our car park. This is because we are currently having all of the school electrical wiring updated as a result of a successful 'Conditions Improvement Bid' to the Department for Education. While much of the work will have little or no impact on the usual running of the school, we will need to use the cabin on the Key Stage 1 playground on a rolling programme when work is undertaken in each of the classrooms.

What this means for you is that for one week only, your children will be based in the cabin as per the schedule outlined below. We will speak to the children in the days leading up to their week in the cabin and will send you a reminder nearer the time that affects your child.

6C: Week Beginning 30/10/23  
6G: Week Beginning 6/11/23  
5J: Week Beginning 13/11/23  
5K: Week Beginning 20/11/23  
4AT: Week Beginning 27/11/23  
4B: Week Beginning 4/12/23  
3SO: Week Beginning 11/12/23  
3G: 18/12/23 to 20/12/23 – Christmas break then 5/1/24  
2MD: Week Beginning 18/3/24  
1T: Week Beginning 25/3/24  
1DL: Week Beginning 15/4/24  
RS: Week Beginning 22/4/24  
RD: Week Beginning 29/4/24  
2M: Week Beginning 6/5/24 (only 4 days due to bank holiday)  
Nursery: This classroom will be refurbished during half term so will not be affected

**As with all works of this nature – this schedule may be subject to change but we will keep you updated.**

Because we are lucky enough to have this additional classroom on our school site, these arrangements will not affect your children's learning in any way. The classroom is well furnished and equipped with all the resources necessary to support learning and there are also toilets so that children do not need to leave the classroom unaccompanied to use the facilities in the main buildings as they usually would.

Thank you in advance for your support with this latest contract, we are very pleased that our 70 year old school is having this refurbishment.

Regards  
Ms Kimpton
