Dear Parents/Carers,

Our art topic for next term in year 2 will be “Let’s Sculpt” where we find out about lots of different sculptors and have a go at making our own sculptures in the style of these artists. This topic will culminate in us creating a sculpture of our choice. One of our lessons will be inspired by the work of sculptor Michelle Reader who uses recyclable materials to create figurative sculptures. As part of this interesting and exciting topic we would like to ask for your support in collecting some resources.

We would like recyclable materials such as:

- Cardboard boxes
- Paper tubes
- Plastic bags
- Plastic containers

If you are able to provide us with any of these items, then we would be extremely grateful. Please send these items in with your child by the 26th April.

Thank you for all of your support,

Miss Mulcahy & Ms Morgan-Bates
