

25th February 2025

Dear year 5 Parents and Carers,

On Wednesday 5th March, your child will have the opportunity to take part in a road safety workshop run by Safer Essex Roads Partnership. The pupils will learn about the dangers they could face as pedestrians, cyclists or as a passenger and how they can keep themselves safe. In groups, they will take part in a practical roadside session where they put the Green Cross Code into practice and will be given a range of tasks linked to road safety which they will share with the rest of the class when all the groups have completed their roadside train.

As road safety is so important as your child gets older and they begin to travel more places unaccompanied, encouraging your children to share what they have learned, and your repetition of the Green Cross Code can help their road safety. You can find more information at Parents and children - saferessexroads.org

Remember Think, Stop, Look, Listen!

Many thanks

Amy Newland

Assistant Headteacher
