

Wednesday 2nd April 2025

Dear Parents/Carers,

As some of you will be aware, we are offering swimming lessons to children in Year 5 and non-swimmers in year 6 as we did last year. As a result, we will again be using a company that installs a large portable swimming pool in the school grounds and this will affect the use of the Key Stage 1 playground.

Please see below for details of the amendments required for parents when dropping off and picking up children in Early Years and Key Stage 1: **From Wednesday 23rd April.**

Key stage 1

- Year 2 will go into their class in the mornings and be collected at the end of the day as normal
- Year 1 will go to the infant hall where their teacher will meet them. The children will then be dismissed from the two infant hall doors closest to their classrooms.

EYFS

- All reception children will use the **red gate** next to RD and the field to access the external doors in the morning as well as in the afternoons.

Thank you in advance for your support and cooperation.

Regards
Ms Kimpton
Headteacher
