ANXIOUS & DEPRESSED THINKING...

→ act like a scientist & test the validity of your thoughts. Challenge them!

IS THIS THOUGHT
ABSOLUTELY TRUE?

WHAT IF THE
OPPOSITE WERE TRUE?

WHAT AM I PREDICTING?
HOW REALISTIC IS THIS?

WHAT IS A MORE REALISTIC
OR BALANCED THOUGHT?

AM I CONFUSING THIS
THOUGHT WITH A FACT?

Book Reviews

Author: Giles Andreae

The book is all about a giraffe called Gerald, who is no good at dancing and feels unable to join in with the jungle dance with all the other animals. Gerald then meets a new friend who helps him discover something special. .

Author: Alex Bellos and Ben Lyttelton

This collection of 50 real-life tales from around the world spans a period of more than 75 years and spotlights the remarkable achievements, both on and off the pitch, of a variety of football heroes.

Learn about the Lyon team who won fourteen consecutive French league titles; the Spanish midfielder who used her medical training to become an emergency doctor during the coronavirus pandemic; and the staunch Everton fan who wore swimming trunks to every match and raised thousands of pounds for charity.

CLASS ASSEMBLY

3ST

3ST shared all about their new friend Max, who is a hodgeheg or a hedgehog. They shared their learning on direct speech and how to make writing speech more interesting for the reader. They also shared some of Dennie's story maps. In maths they have been learning about fractions and money as well as learning a new song for the times tables. They shared their results from their science experiment where they grew plants in different conditions. They finished with one of their favourite songs about the oceans from KS1.

YEAR 1

Year 1 have been learning about measuring, fractions and have counted up to 100. We have been writing stories about superheroes and learned about opposites. We have been learning about sculpture in art and have explored the work of Andy Goldsworthy. We made sculptures with natural materials. In science we have explored the weather and have been investigating what plants need to grow. We know how important water is for our food supply. We are working really hard to save our planet so we can continue to grow food.

YEAR 2

Year 2 had an exciting year group assembly recently. It was a battle of 2M Vs 2T. First we had a singing competition showing off our performances of Zootime (2T) and I wanna play in a band (2M). Then we did a challenge to see who could tell the time the quickest and sing a 3 times tables song the best. After that it was a best fact competition where we showcased our best dinosaur facts. Although a bit of friendly competition is healthy, we decided that it was best to put this aside and work together to save our planet. We shared some tips on how to stop climate change and ended by singing "The Time is Now".

Stay safe in the sun

By following a few simple safety tips, we can all enjoy the warmer weather and avoid the risks of sunburn, sunstroke and skin cancer.

- Stay out of the heat between 11am and 3pm when the sun is at its hottest
- Wear light, loose-fitting clothing and a hat/scarf
- Apply sunscreen regularly - minimum factor 15. Apply 30 minutes before you go out in the sun
- Drink plenty of cold drinks, avoiding alcohol, caffeine and sugary drinks

For more information go to www.nhs.uk/summerhealth, telephone NHS 111 or visit your local chemist.

ATTENDANCE
COUNTS.

PENALTY NOTICE
for not attending school

A PENALTY NOTICE IS A TYPE OF
FINANCIAL PENALTY YOU MUST PAY

From 19 August 2024 you will be issued a Penalty Notice if your child has a total of 10 sessions of unauthorised absence in any period of 10 weeks.

Penalty Notices are issued to each parent, for each child.

This means if Penalty Notices were issued for 3 siblings, they would be issued to both parents – 6 Penalty Notices in total.

Legal proceedings will be taken against you if payment of a Penalty Notice is not made within 28 days.

First offence

First Penalty Notice per parent, per child, you must pay:

- £80 if you pay within 21 days
- £160 if you pay after 21 days but within 28 days

Second offence within 3 years

Second Penalty Notice within 3 years per parent, per child, you must pay:

- £160 within 28 days

Any other offence within 3 years

Legal proceedings will be taken against you if:

- your child has any further unauthorised absences within 3 years

LEGAL PROCEEDINGS COULD LEAD TO A HIGHER FINANCIAL
PENALTY AND WILL RESULT IN A CRIMINAL RECORD

School Start times:

8.45am

We have had lots of children arriving late for school.

This causes disruption to the class when children arrive late, also needing adults to come away from working with children to collect!!!

Please can we ask parents and carers to help us by ensuring all belongings are labelled clearly with their child's name. When children leave their belongings around the school they can then be returned.

We have lots of unnamed uniform which if not claimed is disposed of.

We currently have some lovely pieces of uniform so before you spend lots of pennies on new uniform we could help you save money.

Reporting an

If your child is absent from school for any reason you must notify the school, by phone, email (fpso@shawprimary.thurrock.sch.uk) or in person on the first day of absence.

We have a dedicated absence line this has a 24hr answer machine
(01708 852367 -Option 1).

Please click the link below for guidance on

Is my child too ill for school?

tricky deciding whether or not to keep your child off school, nursery or playgroup when they're unwell.

There are government guidelines for schools and nurseries about [managing specific infectious diseases at GOV.UK](https://www.gov.uk/guidance/when-to-keep-your-child-at-home). These say when children should be kept off school and when they shouldn't. If you do keep your child at home, it's important to phone the school or nursery on the first day. Let them know that your child won't be in and give them the reason. If your child is well enough to go to school but has an infection that could be passed on, such as a cold sore or head lice, let their teacher know.
