

Friday 27<sup>th</sup> June 2025

Dear Year 6 parents/carers

I would like to invite you to our formal Year 6 'Graduation Ceremony' on **Friday 18<sup>th</sup> July 2025** at 1:30pm. The event will last for about an hour and there will be an opportunity for refreshments with Governors, staff and children afterwards. We see the 'graduation' as a very special event in our calendar and a particularly important day for year 6 pupils. It is our opportunity to share our pride in their achievements and formally say goodbye, wishing them luck in their new schools.

I would ask that children wear their Shaw uniform with pride on this very special day and make every effort to look their very best. With this in mind, I am happy for children to bring in a hairbrush and a clean shirt to school if they would like to, especially if they are going to have their shirts signed during the morning.

We are very much looking forward to sharing this afternoon with you.

Regards  
Ms Kimpton  
Headteacher
