

Tuesday 25th March 2025

Dear Parents and Carers,

As you know, our children have been ‘Walking for Water’ over the last two weeks to raise awareness and money for women and girls globally who are held back by having to walk 5km or more for water every day. 703 million people in the world – almost one in ten – don’t have clean water close to home. For women and girls, the burden is even greater. Millions must make difficult journeys – every single day – to fetch the water they and their families need to survive.

We are pleased to encourage our children’s activism in making their future a better one by asking you to help spread awareness for them. We have set up a Just Giving page which we ask you to share across your social media pages to encourage others to donate. We want our children to learn that they have the power to make a difference, and by sharing the link, you are supporting them in that. There is no obligation for you to donate, but sharing the link may encourage others to do so and therefore let our children see that their hard work and activism can help make the future a brighter place for them and the rest of the world.

Here is the link: [Shaw Primary Academy is taking part in Walk for Water](#)

If you can, please help to raise vital funds to help ensure that no woman or girl is held back by a lack of clean water. No amount is too little – every penny counts.

We appreciate your ongoing support.

Many thanks

Amy Newland
Assistant Headteacher
