

Dear Parents and Carers,

Our EYFS and KS1 children will be visited by the Thurrock Early Years Oral Health team on Thursday 12th June. During the visit, each class will take part in a 30-minute workshop where they will learn how to look after their teeth and will each be sent home with a Toothbrushing pack which includes oral health information, toothpaste, a toothbrush, and educational leaflets.

We are looking forward to welcoming the team to Shaw and learning new ways to support our children in being able to consider their own health and wellbeing.

Many thanks
