

13th September 2024

Dear Parents and Carers,

On **Friday 20th September**, we will be taking part in this year's Jeans for Genes Day.

1 in 25 children – on average one child per classroom - has a genetic condition that makes their life very challenging. Jeans for Genes works with schools, companies and individuals all over the UK to help services and support for the children and their families affected by genetic conditions. By getting everyone to wear jeans in our school we could help fund projects that provide nursing care, equipment, activity weekends, online support and counselling. Together, we can help make a real difference to their lives.

All children and staff are invited to wear their jeans on Friday 20th September to help support the charity. If you would like to take part, your child's £1 donation can be paid in cash to the class teacher on the day. **Your child can wear their jeans with a school uniform t-shirt and/or jumper.**

If you'd like to find out more about how our support will help, please visit their website at www.jeansforgenesday.org

Thank you for your continued support.

Ms Kimpton
